PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Mr., Mrs. H. L. Speer Move to Starke, Fla.

After living in the Everglades section of Palm Beach county for 34 years—since 1925—Mr. and Mrs. Herbert Speer left Tuesday to make their home in Starke, Florida. They sold their home on Bacom Point to Geo. Gerathy.

The Speers have spent the past few months at Lake Worth where he thought a change in climate and atmosphere might help the allergy he suffered every time he went onto the muck in recent years. The ailment started several years ago while he was efficiently serving his county of Palm Beach as an assistant to County Agent M. U. Mounts.

The Speers came to Canal Point in 1925 where he taught vocational agriculture in the Canal Point High School. Several months ago, when he announced his retirement from the agricultural department, many of his friends arranged a farewell party for him at the Community Building in Canal Point. On Monday night of this week members of the First Baptist Church in Pahokee gave Mr. and Mrs. Speer a farewell party. He served as deacon in that church for many years. Mrs. Speer's relatives live in Starke. Their only daughter, Mrs. Ernest Boland lives in Athens, Georgia which is exactly 348 miles from Starke. Mrs. Speer said that Pahokee also is 348 miles from Starke, so visits to their old friends will be made in the future after they get settled in their new home in the county seat of Bradford county—Starke.

Sports Conference To Be Palm-Lake

Pahokee High School joined a new eight-team sports league to be known as the Palm-Lake Conference at an organization meeting of officials of the schools involved on Saturday.

The three Glades and five East Coast schools signing as charter members of the Palm-Lake Conference were Pahokee, Belle Glade and Clewiston, and Lake Worth, Seacrest, Forest Hill, Riviera Beach and Stuart.

A constitution and by-laws were adopted with regulations patterned after those of the Suncoast Conference in which teams of all eight schools except Forest Hill and Riviera Beach have been playing. Because of present commitments by the schools withdrawing from Suncoast, football in the Palm-Lake Conference will not start until the 1960 season, but it may be possible to start the conference officially with the 1959-60 basketball season.

Officers elected were Clyde Canipe, Riviera Beach High principal and former principal of Pahokee High, president; Pellon Morris, Belle Glade High principal, vice-president; Martin Gid, Riviera Beach coach, secretary; Web Pell, Pahokee, Bob Riggs, Forest Hill, and Bob Collins, Stuart, executive committee members.

Palm-Lake will require all schools to participate in four major sports, football, basketball, baseball and track, and each school must play all others in the conference in these four sports.

ATTEND EDISON PAGEANT

The Pahokee High School Band, under the direction of Bandmaster Robert O. Lampi, participated in the annual Edison Festival of Light at Fort Myers. The band was accompanied to Fort Myers by Mrs. H. M. McIntosh and her sister, Miss Julia Mathis.

Blue Devils Win From Forest Hill

Coach Bill Howard's Pahokee Blue Devil cagers won an easy 52-22 victory over the Forest Hill Falcons at Lake Worth Tuesday night, with Forward Early accounting for 25 points to again lead his teammates in the scoring.

Against the league-leading Tornados at Pompano Beach Friday night, however, the Blue Devils were scarcely able to make it a contest for the towering tornadoes who coasted to a 97-45 win. The Tornados went on to win the Suncoast Conference crown by defeating the Fort Pierce Eagles, northern division champions, 69-56, at Fort Pierce Tuesday night.

The Blue Devils have completed their Southern Division Conference competition for the season but still have four games to play on their schedule. This Friday night they will be host to the Stuart Tigers in the Pahokee gym. On Saturday they will play Riviera Beach at West Palm Beach and on Tuesday, St. Ann's, also at West Palm Beach. A home game will wind up their schedule on Friday, Feb. 27, when they play the Okeechobee Brahmins on the local court. They will then participate in the tournament at Pahokee, Mar. 3-7.

With an over-all 10-7 record to date, the Blue Devils ended their Southern Division conference competition in fourth place, with four games won and six lost. Blue Devil Forward Alvy Early placed fourth in the individual scoring of the Southern Division for a total of 141 pts., average 14.1 per game.

The Harvest Queen New Ice Cream Spot

Mr. and Mrs. Richard Tillis will open today a soft ice cream shop recently built and operated for a while by Marshall Lair in Pahokee. The young couple have chosen a new and intriguing name for their place of business—THE HARVEST QUEEN. They extend a cordial invitation to their many friends to pay them a visit where they will have many ice cream goodies and kindred items.

The Glades unit of the Florida Highway Patrol Auxiliary, comprising 22 men from Pahokee, Belle Glade and South Bay under the command of Lt. W. C. Allen, is undertaking special work projects to raise funds for the purchase of uniforms and other equipment. At present the Glades unit is assisting the East Coast unit of FHPA with the parking of cars at the annual rodeo at Circle T Ranch near Indiantown, Feb. 28-Mar. 1. Fourteen trainees who recently completed a stiff training program in FHPA will be inducted in the Glades unit at a meeting in the South Bay American Legion Hall, Feb. 23.

Baptist Revival Starts Sunday Nite

Revival services are to begin in the Canal Point Baptist Church Sunday, Feb. 22, and continue throughout the week, closing on Sunday night, March 1. The pastor, Charles D. Stewart, announces that the music will be under the direction of Mrs. Paul Rardin, the church's chairman of music. She will preside at the piano in the musical services. Jimmy Merrill

Dr. Paul A. Meigs

of Pahokee will preside at the organ provided through the courtesy of the Leggett Music Company of West Palm Beach.

The singing will be directed by Dalton Harrison of Belle Glade. The evangelist is Dr. Paul A. Meigs, of Jacksonville, Florida. Dr. Meigs is the superintendent of evangelism for the Florida State Baptist Convention. Dr. Meigs held pastorates in Georgia and California before he came to his present work in Florida.

The services are to be held at the hour of 7:30 p.m. each evening throughout the week, including Saturday night. The regular schedule of services will be observed on Sunday.

The public is invited to worship in these services.

Small Claims May Be Filed in Glades

Commissioner Paul Rardin, Canal Point, was given authority by the county commission this week, to work out final details for filing small claims court papers in the Glades Office Building.

Rardin said he had conferred with Judge T. A. Currie of the county's small claims court and had worked out arrangements for filing court petitions in the Glades. The Canal Point commissioner said further study is being given to the possibility of holding court sessions at the county's office building at Belle Glade.

George McElhenny, Jr., Pahokee High School senior, has been nominated by Rep. Paul Rogers to the U. S. Merchant Marine Academy and is scheduled to take his preliminary examinations for entrance to the Academy in the near future.

GRADUATED AT U. OF FLA.

Edwin Stuart, Pahokee High School graduate who received a Bachelor's Degree from the University of Florida at the mid-year graduation exercises last month, is visiting his parents, Mr. and Mrs. C. L. Stuart, at Canal Point before joining the Armed Forces.

Flying High At Belle Glade Sat'd'y

Color in flight will be the keynote of Florida State University's "Flying High" Circus performance to be presented in Belle Glade, Feb. 21, at 8 p.m.

According to Coach Jack Haskin, "The show will feature many new costumes, scenery and backdrops, and lighting effects; and many new acts will make their debut in this year's show."

The all-new clown acts promise a change of program from past circus shows. The Super-Dooper 30 second Baby-Wash will give laundry service to the youngest members of the audience, free.

A load of new costumes, 95 in all, with plumes, sequins and colorful satin will accent the action in 5 big rings. Haskin says, "We will use 3 times as many costumes this year as were in last year's production."

"More aerial acts will be starred in this year's show," Coach Jim DeCosmo stated, "We will work three rings at once, and more nets have been ordered for the new show plans."

DeCosmo explained that "concentration of acts will reduce the actual show time and add to audience interest."

A quick preview of a few acts: "A Scene in Hades" stars the Peddling Devils bicycle team, the Swirling Skaters will do a highland fling on wheels, wearing the traditional Scots' plaid, and dancers will be featured in a Show Boat routine.

Basket Tournney In New Pahokee Gym

Pahokee's beautiful new gymnasium will be the scene of the State Class B, Group 8, high school basketball tournament the first week in March, Tuesday through Saturday, Mar. 3-7. This five-day tournament is a preliminary to the State Class B contest.

Because of the limitations in the size of the old gym, this is the first time Pahokee has been able to act as host to a basketball tournament, according to Coach Bill Howard.

Mr. and Mrs. Robert I. Lampi were called to Tampa Friday morning by the death of her sister, Mrs. Thelmas Jones, who died at a hospital there after a long illness. Funeral services were held in the chapel of Jennings' Funeral Home, Tampa, Saturday at 11 a.m. and burial was at Dade City.

Bruce Myers was received as a new member of Den One, Cub Pack 623 at the regular meeting when members made plans to participate in the Blue and Gold Banquet to be held later this month in celebration of the 30th anniversary of the founding of Cub Scouting.

Jake Platt Takes A Few Days Off

Just as he wound up 24 years and started his 25th year running the mechanical department of The Everglades News, J. T. (Jake) Platt was stricken Monday with some sort of ailment that put him in the hospital. His doctor believes he is suffering from an inactive gall bladder and that his hospitalization will be concluded by the time you receive this copy of The Everglades News.

Jake, as he is familiarly known throughout the Glades, came to The Everglades News way back yonder in February, 1935, after the present owner-publisher, Paul Rardin had arrived in August 1934. They have worked together and Jake has been in charge of the mechanical department ever since. During the 24 years of his employment he has missed less than a week of work time.

Reports from his doctor are to the effect that he will soon be able to be back on the job but will have to take it sorta easy for a spell. (NOTE: Owner-Publisher Rardin is a linotype operator-printer and this week's paper comes to you as a direct product of his hands. Learning, printing and linotype operating is like swimming—once you learn, you never forget.)

Former Pastor Dies In Delray

Funeral services for Dr. Rembert A. Guy, 69, former Pahokee resident, who died in his sleep early Saturday morning at his home in Delray Beach, were held at the Cason Memorial Methodist Church Monday at 10:30 a.m., with Dr. Henry W. Blackburn, Dr. A. R. Charlesworth and Dr. E. J. Pendergrass, ministers in charge. Burial was in Tampa.

Dr. Guy served as pastor of the Pahokee First Methodist Church, 1952-55. After receiving his formal education at Emory and Vanderbilt Universities, he became a minister in 1913. He was superintendent of the Gainesville District of Methodist Churches, 1929-32 and received his DD Degree from Florida Southern College in 1945. After leaving Pahokee he served for two years as pastor of the First Methodist Church in Key West, before retiring from the ministry in 1957, and moving to Delray Beach.

Survivors include his wife, Virginia, Delray Beach; two daughters, one son, two brothers, two sisters and five grandchildren. Pallbearers were Jack Spencer, John Rogers, Frank Rozelle, Paul Riddle, J. B. Evans and Van Cason. Among those from Pahokee who attended the services were Mr. and Mrs. Robert J. Schroder, Mr. and Mrs. Lloyd Hundley, Mr. and Mrs. Jack Spencer, Mr. and Mrs. Frank Rozelle, Mr. and Mrs. John Rogers, Joseph Kahn, W. O. Moss, the Rev. Clare Hall, Mrs. Robert C. Hutton, Mrs. Leo Maxwell and Mrs. Bill Justice and children.

Paul Watson was accompanied home from a visit with relatives in Register, Ga., by his wife who had been a guest of her parents, Mr. and Mrs. C. A. Anderson, there for several weeks.

Rogers Wants One More Fed'ral Judge

Congressman Paul G. Rogers of the Sixth District of Florida today introduced in Congress a bill to provide important changes in the Federal District Courts of Florida. The bill would provide one additional Federal Judge for South Florida, and divide the State into three districts: Northern, Middle and Southern.

Congressman Rogers has for some time urged an additional Federal Judge for the busy Southern District, pointing out the rapid growth of the area, and a corresponding increase in Federal Court cases.

"Florida has enjoyed a phenomenal growth in population in the southern district, with a corresponding increase in litigation," Congressman Rogers stated, "and it is urged that relief be given by the creation of an additional judgeship for this area."

Florida is presently split into two districts, with the Southern District extending from Jacksonville to Key West. Under the new plan, a Middle District would be established to take over most of the territory now in the northern half of the Southern District. Court in the new Southern District would be held at West Palm Beach, Fort Pierce, Fort Myers, Miami and Key West.

Records Are Broken Florida. State Fair

TAMPA—Everybody turned out for the Florida State Fair this year and Fair officials say all attendance records have been broken during the Feb. 13-14 run of the 1959 edition.

Warm and sunny weather with mild evenings was given as the principle reason for the record-breaking crowds. Roy Rogers, and his wife Dale Evans, appearing before the grandstand afternoons and evenings, were also responsible for an unusually large turnout of the cowboy-loving smaller-fry.

Monday, Feb. 9, saw upwards of 800,000 people jamming Tampa's streets striving for vantage points from which to watch the 1959 Gasparilla Invasion by Ye Mystic Krewes. Exactly at 12 noon the Tampa business men turned pirates for a week of festivities, "sacked" the city and accepted the keys to City Hall from Mayor Nick Nuccio.

The fun-seeking pirates then staged a three-hour long parade complete with 60 floats and 30 bands. The parade has been acclaimed by many as the outstanding celebration of its kind in the nation.

Other activities during the Fair included a visit by Governor LeRoy Collins on Governor's Day, a miniature Gasparilla parade staged by the children of Tampa, big car auto races and poultry and livestock exhibitions and sales throughout the run of the Fair.

County Board Aids S. D. Developers

The County Commission, in a special meeting Monday, took steps to extend bonding requirements for subdivisions in an attempt to step up building in the county and at the same time, assure residents that new developments will be completed according to regulations.

The board, during a conference with bonding companies, voted to lift restrictions which had been in effect, placing a maximum on the amount of sub division bonds which any one company could issue.

The action was requested by Pan American Surety Co. which had issued its maximum and asked for a higher ceiling.

State regulations restrict bond agencies to issue bonds no greater

Local Scouts Go For Week End Trip

Canal Point Boy Scout Troop 624, accompanied by Scoutmaster Phelix Slonaker, Assistant Scoutmaster Jimmie Repper, Life Scout Warren Repper, and First Class Scout Tommy Mullins, the troop spent the weekend camping at No. 2 Lock on the St. Lucie River. Sixteen boys went on the trip. It was some of the boy's first camping trip. And they report a splendid outing.

than 10 percent of the companies capital and surplus but places no limit on the number of bonds which can be written.

The county board, in its plat regulations and in an effort to make sure that sub division streets and other improvements are completed according to regulations, had placed a ceiling on the total amount any one company could issue.

Following a lengthy discussion in which several bondsmen, developers and building representatives took part, the board voted to raise its ceiling to 20 percent more than state requirements.

Because of requirements asked

by bondsmen, builders and developers have been required to tie up much of their cash capital as security for the bonds. As one developer explained to the commission, most of his cash was tied up as security for a bond on one plat of his development and he couldn't start the second section because no bonding company would issue a bond unless additional cash was posted as security.

The commission agreed that its principal responsibility was to assure Palm Beach County residents that sub division improvements are completed according to plans without expense to the taxpayers.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months),—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4443.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Mental Health Will Get 'Prince' Assist

A special benefit for the Palm Beach County Mental Health Association will be staged February 24 at the Palm Beach Musicarnival with patrons of the charity viewing the opening performance of The Student Prince.

Arrangements for the benefit show are being made by a committee headed by James Morgan, association president and his aide, Joe Mirsky.

Proceeds from the event will be

used for rehabilitation of Palm Beach County patients who have returned home from hospital where they have undergone treatment for mental illness.

Morgan said Palm Beach County was recently pointed out as an example where a county provides greater opportunities for returning discharged patients, offering a chance for those who have suffered from mental illness to again become a part of the productive life of the community.

Advance reservations for the benefit, Morgan said, are being made at the Mental Health headquarters in West Palm Beach—either by letter or phone.

Schools Need Space In Subdivisions

The County Commission this week pledged closer cooperation with the county school board in preliminary studies of proposed subdivisions in an attempt to secure adequate sites for new schools. Commissioner Paul Rardin, pushed for the action after reading a letter from Thurmond Knight, school board member, who requested that the school board be given an opportunity to review initial plans before they are given final approval by the county.

Knight asked that consideration for school sites be given in every development of 100 acres or more. The commission voted to furnish the school board with a copy of the developers tentative lay out so that school officials and the developer could work out arrangements for school locations.

Christian Science Group Of Canal Point

Man's God-given dominion over the bondage of materialism will be emphasized at Christian Science services Sunday.

The Lesson-Sermon to be read, entitled "Mind," contains the account of Christ Jesus' healing of the man, "whose right hand was withered" (Luke 6).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (307:25): "The divine Mind is the Soul of man, and gives man dominion over all things. Man was not created from a material basis, nor hidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Romans (11:34, 36): "Who hath known the mind of the Lord? or who hath been his counsellor? . . . For of him, and through him, and to him, are all things: to whom be glory for ever."

Missionary Society In February Meeting

An inspiring program, "The Mountains Break Forth Into Singing" was presented by Mrs. J. S. Chastain and Mrs. T. D. Mullin at the February meeting of the Canal Point Baptist WMS held at the church Monday, Feb. 16 at 8:00 p.m.

Some interesting facts were presented by Mrs. Mullin concerning Alaska and the main part of the program consisted of interviews given by Mrs. W. S. Evans and Mrs. J. S. Chastain as they represented missionaries telling of their experiences in Alaska.

Mrs. Eunice Hughes, prayer chairman, gave the call to prayer from the Royal Service and led in prayer.

Mrs. Charles D. Stewart presided over the business session and it was announced that every WMU member be much in prayer for the Week of Prayer for Home Missions March 2-6 and also for the revival

February 22 through March 1st. Mrs. Stewart made the announcement that the annual W.M. U. meeting will be in Tampa April 21 through 22. Mrs. Charles Maxson closed the meeting with prayer. There were 22 members present. Miss Mattie Bain, who is visiting Mrs. Paul Rardin from Coats, North Carolina, was welcomed as a visitor.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a home or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$25.00 a week, in just five years you'll have \$2,348.25 cash. In 9 years, 6 months, you'll have \$7,217.30!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest or current income, ask your bank about Series E Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Save each for 9 years and 6 months, each	\$5.00	\$10.00	\$25.00
Save each for 19 years and 6 months, each	\$5.75	\$11.50	\$28.75

This chart gives only a few typical examples of savings goals and the amount you must save each week. For more information, ask your bank or the U. S. Treasury Department.

Canal Point Lions Host Training Club

The Canal Point Lions Club has host to members of the Pahokee Diversified Cooperative Training Club at a dinner meeting in the Community Building Monday night, with employers of DCT students and school officials also attending as guests.

The Pahokee High School DCT students, who rated the Lions' educational meeting as a club activity since all members were present, presented a radio skit, "Honesty is the Best Policy, or Let Your Conscience be Your Guide."

Kenneth Johnson, director of Vocational Education for Palm Beach County, as guest speaker told of the vocational training program for students in the Glades area, pointing out some of the advantages of this type of education and possibilities for an expansion of the program in this area.

School officials present were Brooks Henderson, principal of Pahokee High School, and Kyle Scott, assistant principal; W. W. White, principal of Canal Point School; Herman Austin, principal of Pahokee Elementary School; Pellon Morris, principal of Belle Glade High School; Carl Crawford, principal of Belle Glade Elementary School; James Turner, Pahokee High School DCT coordinator, and A. Roswell Harrington, school trustee.

Employers of DCT students attending were Curtis Chase, Florida Power and Light Co.; V. L. Geiger, Pioneer Lumber Co.; Charles Hitchcock, Hitchcock Grocery; J. G. Weeks, Week's Trucking Contractors.

DCT students present were Boyd Vorhees, Shirley Hignite, Wayne Elliott, John Usher, Gene Dixon, Jane Watson, Dorothy Ezzell, Deliah Strayer and Marlene Scott.

Variety Shows Will Boost Citrus Sales

WINTER HAVEN—The Florida Citrus industry's newest ambassadors of good-will, Peter Lind Hayes and Mary Healy, will present five one-hour variety shows daily from the stage of the Lake Silver Amphitheatre as the highlight of the 35th annual Florida Citrus Exposition.

The popular variety show will be telecast daily from 11:30 a.m. to 12:30 p.m. from March 9 to 13. The same outdoor theatre will be the scene of the Annual Citrus Queen Contest where more than 30 girls will compete for three days before one of them emerges winner and receives an array of prizes including a \$200 a month retainer fee, a trip to Alaska on Northwest Orient Airlines, with all travelling expenses paid for the following 12 months.

Appropriately the Florida Citrus Exposition's theme this year will give tens of thousands of visitors an insight into the multi-million dollar citrus industry through "the eyes of a television camera."

Keathley Bowden Dies in Thomasville

Keathley Bowden, 61, a Florida newspaper publisher for many years, died Monday in a Thomasville, Georgia hospital. For several years he suffered from a cardiac condition. Mr. Bowden is a former publisher of The Everglades News, having published it in 1933 to 1937 before it was sold to the present owner and publisher, Paul Rardin.

A native of Hernando County, he had spent most of his life in the newspaper business, publishing papers in Okeechobee, Moore Haven, Clewiston, LaBelle, before buying The Monticello News in 1944. He sold this paper in November to Carr Settle, who had edited The Moore Haven Democrat for a quarter of a century.

Survivors are his wife, Mrs. Beryl Bowden of Clewiston; two sons, L. Charles K. Bowden, U. S. Air Force, Enid, Oklahoma, and Paul H. Bowden of Clewiston; a sister, Mrs. Wayne Martin of Tallahassee, and three grandchildren.

Valentine Dance King and Queen

Georgianna Mills of the Belle Glade High School was chosen queen and Gary Folds of Pahokee High School, king, of the Valentine Dance held by high school students of the Glades area in the Pahokee Youth Center building Thursday night of last week, with the House Rockers Orchestra of Miami furnishing the music for dancing.

The dance was sponsored by the student officers of the Youth Center, with Mrs. G. F. Kincaid, director of the center, and Mrs. Dick Miller acting as chaperones.

The committee in charge of arrangements included Sonny Folds,

student president of the Youth Center, with Mrs. G. F. Kincaid, director of the center, and Mrs. Dick Miller acting as chaperones. The committee in charge of arrangements included Sonny Folds, student president of the Youth Center, who acted as master of ceremonies; Judy Cunningham, refreshments, and Joanne Darden, preparations and clean-up.

New Phone Books Due Out On Feb. 24

A measure of the growth of Belle Glade, Pahokee and Canal Point is the large increase in the number of telephone directories being distributed beginning February 24, 1959 to local subscribers. Approximately 4500 new directories are going to homes and businesses, according to Zeke O'Farrell, group manager for Southern Bell Telephone Company, compared with 4,000 when the last directory was delivered.

The new telephone directory has many new and changed listings and other helpful telephone information. It is easily distinguishable from the old grey-covered telephone book by its green cover. Enough new directories have been printed to supply every telephone subscriber and to allow for future telephone expansion.

The classified section—yellow pages—contains listings for business telephone subscribers under headings alphabetized according to their businesses or professions.

"The variety of classifications describing products, services, professions and businesses provides a convenient ready reference guide when you want to locate a firm or individual," Mr. O'Farrell pointed out.

TEL Class Met With Mrs. Evans

The T.E.L. Sunday school class of the Canal Point Baptist Church met at the home of Mrs. W. S. Evans. Mrs. J. D. Latham, president, opened the meeting with a devotional on prayer. Mrs. M. F. George, teacher, outlined plans for visitation during the month of March.

A brief business session was followed with a contest in charge of the social chairman, Mrs. W. W. White. Coffee and fruit cake was served by the hostess to eleven class members and two guests, Miss Mattie Bain of Coats, North Carolina and Mrs. G. B. Singletary of Thomasville, Georgia.

Uncle Sam Says Tiny Envelopes Must Go!

2 3/4 inches by 4 inches
No Envelope Smaller
Effective July 1, 1959

YOUR UNCLE SAMUEL SAYS that tiny envelopes which have given postal authorities so much trouble in the past will be eliminated from the mails come July 1, 1959. The size shown immediately above is the smallest you can mail after July 1, according to a recent ruling by the Post Office Department in Washington. Tiny birth announcements, shower notices and envelopes of various kinds smaller than the one shown above have had their day, so prepare for the new mailing instructions on July 1.
